CONFIDENTIALJUROR QUESTIONNAIRE

This questionnaire is designed to obtain information about your background as a potential juror in this case. Its use will substantially shorten the jury selection process. The purpose of these questions is to determine whether potential jurors can be fair to both sides and decide this case based upon the evidence presented at trial and the instructions on the law given by this Court. The questions are not intended to unnecessarily inquire into personal matters. All information contained in this questionnaire will be kept confidential and will be available only to the Court and the parties in this case. The questionnaires belong to the Court and all copies will be returned to the Court. Do not discuss this questionnaire with anyone, including your family, fellow jurors, or the media.

Please answer each question as fully and completely as possible. Your complete candor and honesty is necessary so that the parties will have the opportunity to select a jury that can be fair to both sides. You must answer all questions to the best of your ability. **DO NOT LEAVE ANY QUESTION BLANK.** If you need more space than the lines provided, please use the blank page provided as page 6. Please do not write on the back of any sheet.

Please keep in mind there are no right or wrong answers. You are sworn to give true and complete answers to all questions. **PLEASE PRINT OR WRITE LEGIBLY.** Please be sure to include your juror number in the top corner of every page. When you finish answering this questionnaire, you must print your name and sign the declaration on page 7. With your signature, you are affirming the accuracy of your answers. That page will be removed by the court staff, and will not be shown to any party.

The fact that a particular question is asked does not imply that the subject matter of the question is an issue in this case. As you read the questions, please do not draw any inferences about the issues that will be decided in this case.
