United States District Court
Northern District of California

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

BOARD OF TRUSTEES FOR THE
WESTERN STATES INSULATORS &
ALLIED WORKERS' PENSION PLAN, et
al.,

 Plaintiffs,

 v.

MATT WARNER,

 Defendant.

Case No. 12-cv-00442-JST

**ORDER DENYING STIPULATION
WITHOUT PREJUDICE**

Re: ECF No. 47

The parties have stipulated to dismiss this action, contingent upon the Court exercising continuing jurisdiction over the parties' settlement agreement. However, the parties have not submitted the agreement to the Court. Therefore, the stipulation is DENIED WITHOUT PREJUDICE.

Within five days, the parties are ordered to either file a new stipulation and proposed order that includes the parties' settlement agreement or to file a notice clarifying that their stipulated dismissal is not contingent upon the Court exercising continuing jurisdiction.

IT IS SO ORDERED.

Dated: May 13, 2014

JON S. TIGAR
United States District Judge
