Case No. 12-cv-00632-JSC

**ORDER RE: PROPOSED CLASS
NOTICE**

Re: Dkt. No. 165

11 The Court has received and reviewed the parties' stipulation regarding the proposed class
12 notice. (Dkt. No. 165.) The Court grants the parties' stipulation as follows:

13 1. The time allowed for opting out of the class shall be forty-five (45) days from the date of
14 mailing of the Notice. Counsel for Plaintiff estimate that the notice administrator will be able to
15 mail the Notice to class members by March 15, 2015, but in any event the Notice will provide a
16 specific opt-out deadline that is at least 45 days after the date the Notice is mailed.

17 2. The Notice shall be substantially in the form of Exhibit A the Joint Stipulation except
18 the parties shall add the word statutory to the description of damages in section 5 as indicated in
19 bold below. The notice administrator will format the Notice so that it is as readable as possible and
20 shall fill in the blanks with the appropriate website and contact information.

21 **5. What Is the Plaintiff Asking for on Behalf of the Class Members?**

22 The Plaintiff is asking the Court to award between \$100 and \$1,000
23 in **statutory** damages to each Class Member for each violation that
24 is proven, as well as punitive damages, attorneys' fees and costs.
The Plaintiff is also asking for an order under California law relating
to how OFAC data should be handled in the future.

25 **IT IS SO ORDERED.**
