Whereas GAL requires additional time to gather information necessary to allow it to meaningfully respond to Plaintiff's Complaint;

Whereas the Parties have discussed settlement in general terms and desire additional time to explore the possibility for an informal resolution of the action before any additional sums are spent and/or before positions are potentially hardened by litigations;

Whereas for the foregoing reasons, the parties, through their respective counsel, have agreed to stipulate to extend to June 8, 2012 GAL's deadline for filing and serving a response to the complaint;

NOW, THEREFORE, IT IS HEREBY STIPULATED THAT:

1. Defendant GAL's deadline for filing and serving a response to the Complaint in this action is extended to June 8, 2012.
