 Time: 1:30 p.m.
 Place: Courtroom 5, 17th Floor
 Hon. Edward M. Chen

1 On August 29, 2012, when the undersigned was traveling on another matter, the Court
2 entered an order requesting supplemental briefing regarding the motion for preliminary approval
3 of the class action settlement in this matter. The undersigned will be out of the office for the
4 Jewish Rosh Hashanah holiday starting this afternoon, until Monday, September 10, 2013. Co-
5 counsel David Lowe, and the associate principally working on this matter with me at my firm,
6 William Weeks, were both traveling internationally during the time the order requesting
7 additional information was issued, and will be traveling the remainder of this week. The response
8 requested requires significant coordination with Defendants' counsel, and that Defendants'
9 counsel provide extensive additional information, which I believe will require additional time to
10 make available.

11 Accordingly, I request until September 12, 2013, to submit the supplemental briefing in
12 support of preliminary approval for the Court's consideration.

13 I declare under penalty of perjury that the foregoing is true and correct.
