27 Plaintiff Biotherm Hydronic, Inc., dba Trueleaf Technologies (“Trueleaf”),  
 28 Defendant/Cross-Defendant Kemna Enterprises (“Kemna”), and Defendant/Cross-Complainant  
 Satellite Specialized Transportation, Inc. (“Satellite”), (collectively “the Parties”) hereby submit  
 this Joint Status Report.

On June 26, 2012, the Parties filed their ADR Certification as well as their Stipulation and  
 Proposed Order selecting private mediation with James Attridge, Esq. The Court granted the  
 Proposed Order and directed the Parties to complete mediation within 120 days. The Parties are in  
 the process of scheduling a date for the mediation with Mr. Attridge. Even in advance of that  
 formal mediation, however, the Parties have been actively engaged in settlement discussions, in the  
 hopes that settlement might be achieved without the expenditure on mediation, the attendant

1 attorneys fees and travel costs. Should informal settlement talks fail, however, the Parties intend to  
2 proceed with mediation with Mr. Attridge within the timeframe directed by the Court.

3 The Parties hereby request that the Court put over any case management or status  
4 conference to a time after October 24, 2012, the expiration of the Court's 120-day window.

5 Respectfully submitted,
