36 Plaintiff, the United States of America, by and through MELINDA HAAG, United States
37 Attorney, and ARVON J. PERTEET, Assistant United States Attorney, and Claimant
38 MATTHEW GRAVES by and through his attorney DAVID M. MICHAEL, ESQ., and
39 CLAIMANT UMPQUA BANK by and through their attorney, PAUL J. DUTRA,ESQ., hereby
40 acknowledge an ongoing civil forfeiture matter, and stipulate to the following:

1 On July 10, 2012, the Court set a trial date in this matter for February 11, 2013 (See *Doc.*
2 # 20). Additionally, the Court referred the matter to Magistrate Beeler for settlement. The
3 settlement conference is scheduled for Jan 14, 2013. This matter is related to case 3:09-cv-
4 02277-MMC, which was also set for trial at the same time. The parties in the related matter have
5 reached a stipulated settlement.

6 Due to fact that the parties in the related matter have reached a stipulated settlement, and
7 the fact that there is an ongoing federal investigation of MATTHEW GRAVES, that is directly
8 related to this matter, the parties are seeking to vacate the trial date currently set for February 11,
9 2013, and all deadlines associated with that trial setting, and to reset all discovery deadlines,
10 dispositive motion dates, and settlement conference referral until after a case management
11 conference in February 2013.

12 The parties seek this stay pursuant to 18 U.S.C. §§ 981(g)(1) and (2). Both the
13 Government and claimant, Matthew Graves, stipulate and agree that taking discovery at this time
14 would adversely impact the Government's criminal investigation and would burden the right of
15 Matthew Graves against self-incrimination in the related federal criminal investigation.
