1
2 Plaintiffs DC Comics and Sanrio, Inc. (collectively "Plaintiffs"), having applied *ex parte*
3 for a temporary restraining order, order for seizure and impoundment and order to show cause re
4 issuance of a preliminary injunction pursuant to the Copyright Act (17 U.S.C. § 101 *et seq.*), the
5 Lanham Act (15 U.S.C. § 1051 *et seq.*), Federal Rules of Civil Procedure, Rule 65, and the laws of
6 the State of California against Defendants BCMini, LLC and Miguel Cheng, an individual and
7 d/b/a BC Office Products, BC Office, BC USA and Iwako USA (collectively "Defendants"), for
8 the reason that Defendants appear to be importing, manufacturing, advertising, promoting,
9 displaying, distributing, selling and/or offering for sale wallets, lanyards, key chains, charms,
10 bookmarks, notebooks, bags, personal accessories, and other products featuring unauthorized
11 reproductions of Plaintiffs' registered copyrights and trademarks in Plaintiffs' world-famous
12 characters and logos ("Unauthorized Products") and the Court, having reviewed the documents
13 filed concurrently herewith, including the Complaint, Plaintiffs' *Ex Parte* Application for a al
14 Temporary Restraining Order, Order for Seizure and Impoundment, Order to Show Cause re
15 Issuance of a Preliminary Injunction and the Declarations in Support of Plaintiffs' Application,
16 along with supporting Exhibits, and the supporting Memorandum of Points and Authorities
17 submitted by Plaintiffs, and good cause having been shown, the Court hereby finds that it clearly
18 appears that:

19 1. Plaintiffs are likely to succeed in showing that Defendants are using Plaintiffs'
20 copyrights and trademarks in Plaintiffs' world-famous characters and logos ("Plaintiff's
21 Properties") in connection with the importation, manufacture, distribution, sale and offer for sale of
22 the Unauthorized Products;

23 2. The sale of such Unauthorized Products will result in immediate and irreparable
24 injury to Plaintiffs, if seizure of such Unauthorized Products, and the production apparatus and
25 materials pertaining thereto there may be, is not ordered;

26 3. ^{Based on the evidence presented and for reasons stated on the record,} Defendants or other persons acting in concert with Defendants may ~~destroy, move,~~
27 ~~hide, or otherwise make~~ the Unauthorized Products ~~and business records relating thereto,~~ al
28 *continue to sell, distribute or otherwise dispose of*

without a TRO

al

1 inaccessible to the Court if Plaintiffs were to proceed on notice to Defendants, thus frustrating the
2 ultimate relief Plaintiffs seek in this action;

3 4. The harm to Plaintiffs of denying the requested ^{TRO + inspection + inventory} ~~ex parte seizure and impoundment~~
4 order outweighs the harm to the legitimate interest of Defendants from granting such order;

5 ~~5. Plaintiffs have represented that they have not publicized the proposed impoundment~~
6 ~~order;~~

7 ~~6. Plaintiffs have provided the United States Attorney with reasonable notice of their~~
8 ~~application for an ex parte seizure and impoundment order;~~

9 7. Plaintiffs have demonstrated the location at which Defendants are holding,
10 distributing, selling and/or offering for sale the Unauthorized Products; and

11 8. Entry of an order other than the requested ^{TRO + inspection + inventory} ~~ex parte impoundment~~ order will not
12 adequately achieve the purposes of 17 U.S.C. § 503, 15 U.S.C. § 1116, or California Business and
13 Professions Code § 17200, et seq., to preserve Plaintiffs' remedies for copyright infringement,
14 trademark infringement or unfair competition, including, inter alia destruction of the Unauthorized
15 Products, ~~the acquisition of business records relating to the Unauthorized Products,~~ and an award to
16 Plaintiffs of lost profits or damages.
