23 I, Janelle Egger, declare as follows:

24 1. I am the Pro Se Plaintiff in the matter of Egger v. County of Humboldt, Case No.
25 CV 12 2671 CRB. I have personal knowledge of the facts set forth in this declaration
26 and, if called upon as witness, I could and would testify competently as to these facts.
27 2. Per Order to Adjust Briefing Schedule signed June 12, 2012 Plaintiff's Reply is
28 due on June 21, 2012. The hearing on Plaintiff's Motion for Preliminary Injunction is
scheduled to be heard on July 6, 2012.

32 CASE NO. 3:12- CV-2671-CRB

1 3. Since filing the Complaint on May 24, 2012 I have continued to pursue a political
2 solution to the Constitutional issues regarding Ordinance 2477 and the potential
3 countywide ordinance presented in the Complaint. I was therefore aware of and attended
4 meetings arranged by the County Administrative Officer (CAO), as directed by the Board
5 on January 17. I also was aware that discussions at these meetings included the potential
6 countywide ordinance and Ordinance 2477.

7 4. I received the Defendant's response as scheduled on Thursday, June 14, 2012. At
8 that time I expected, based on communication with the County Administrative Office
9 staff, that the potential countywide ordinance would probably be on the following
10 Tuesday's Humboldt Board of Supervisor's meeting agenda. I also believed based on
11 information from the meetings mentioned above that Ordinance 2477 might also be
12 discussed. I was able to access the Board Agenda on-line the evening of Friday June 15.
13 The Agenda item "Ordinance on Uses of County Properties" was listed under Item H,
14 Department Reports. The board report, authored by the CAO, also discussed Ordinance
15 2477.

16 5. I attended the June 19, 2012 Board meeting. Following a lengthy discussion a
17 motion was passed to direct staff to come back with a proposed ordinance changing some
18 language in Ordinance 2477. Talking with other members of the public, there was some
19 confusion as to which Ordinance language was included in the motion so I accompanied
20 Gay Gilchrist in a visit to the Clerk to the Board's office. There I learned a written draft
21 of the motion may be available today, but the motion wording would not be final until
22 presented to the Board and approved at next Tuesday's meeting. This presents difficulty
23 in replying to item 2b in the Defendant's response and may influence my reply to other
24 areas of the Defendant's response.

25 6. On June 21, 2012, the parties stipulated to a briefing schedule. This briefing
26 schedule fully complies with Rule 7-3 of Local Rules.
