UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

CHARLES CARREON,
Plaintiff,

No. C12-3112 EMC

v.

**ORDER RE PLAINTIFF’S MOTION
FOR TEMPORARY RESTRAINING
ORDER**

MATTHEW INMAN, et al.,
Defendants.

(Docket No. 20)

_____/

Plaintiff Charles Carreon has applied to this Court, *ex parte*, for a Temporary Restraining Order to enjoin defendant Indiegogo, Inc. from transferring the proceeds of the Bear Love campaign to Matthew Inman or any other entity. Counsel for Indiegogo, Inc. states in a declaration that such a transfer of funds held by Indiegogo has already taken place. *See* Declaration of Ragesh Tangri ¶ 6 (Docket No. 22, Attachment 1). Mr. Inman states, “with respect to the remaining funds,” that he has “written a check to each charity” in the amount of \$54,473.32, and has “given these checks to my counsel to forward to the American Cancer Society and the National Wildlife Federation.” *See* Declaration of Matthew Inman ¶ 40 (Docket No. 24). Although this would moot Plaintiff’s request for a TRO, the Court has not received verification that these checks have, in fact, been delivered to the two charities.
