**United States District Court**  
For the Northern District of California

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

ATAIN SPECIALTY INSURANCE  
COMPANY f/k/a USF INSURANCE  
COMPANY,

No. C-12-3339 EMC

Plaintiff,

**ORDER GRANTING PLAINTIFF'S  
MOTION FOR LEAVE TO FILE FIRST  
AMENDED COMPLAINT**

v.

NORTH BAY WATERPROOFING, INC.,

**(Docket No. 14)**

Defendant.

Pending before the Court is Plaintiff's unopposed motion for leave to file a first amended complaint (FAC) to add Opus West as a defendant in this suit for declaratory judgment. *See* Fed. R. Civ. P. 15(a)(2). The original complaint was filed on June 28, 2012 and named only North Bay Waterproofing ("North Bay") as a defendant. North Bay has not appeared in this action, and default was entered by the Clerk's office on August 21, 2012. Docket No. 12. Plaintiff has the right to file a first amended complaint. *See* Fed. R. Civ. P. 15(a)(1)(B). Moreover, Plaintiff is entitled under Rule 15(a)(2) to amend the complaint "when justice so requires."

Plaintiff's original complaint states that it is not naming Opus West as a defendant because of a bankruptcy stay then in effect. King Decl. Ex. 1 at 3. That stay was lifted to permit Plaintiff to file an amended complaint adding Opus West in this action on September 5, 2012. King Decl. ¶ 20. There is therefore good cause for the amendment.

Plaintiff's motion for leave to file a first amended complaint is **GRANTED**. The previously set October 26, 2012 hearing on this motion is therefore **VACATED**.

This order disposes of Docket No. 14.

IT IS SO ORDERED.
