Joint Status Conference Statement and Request for Continuance

1 Respondent's counsel requested an update from Respondent, but has not received any
2 communication from Respondent. It is unclear whether Respondent still has access to her U.S. email.

3 Petitioner's counsel received information from Petitioner's U.K. counsel that the order had been
4 submitted but that no action has yet been taken by the U.K. court.

5 For these reasons, counsel request additional time to allow for the orders to be registered and to
6 gather additional information required by this Court to dismiss the action.
