21
          The defendant TIACOA CORPORATION d/b/a MICATO SAFARIS and the plaintiff
22
   SHELLY HOWELL, d/b/a HOWELL TALENT RELATIONS, by and through their undersigned
23
   counsel, hereby submit this stipulation and proposed order seeking permission to undertake private
24
   mediation with Judge Mark Eaton (ret.) at ADR Services, Inc. in lieu of a settlement conference
25
   with Magistrate Judge Elizabeth D. Laporte, and an adjournment of the present September 15, 2013
26
   ADR / Settlement Conference deadline to September 21, 2013, to enable the private mediation to
27
   take place on September 19, 2013. In support thereof the parties set forth as follows:
28
```

- 1. This is a breach of contract action involving the plaintiff's efforts in obtaining bookings for the defendant's celebrity safari program and the compensation allegedly due plaintiff with regard to same for the years 2001 through 2008.
- The present ADR / Settlement Conference deadline in this matter is September 15,
   and a settlement conference with Magistrate Judge Laporte is presently scheduled for September 4, 2013.
- 3. Lead counsel for the defendant is unable to attend the September 4, 2013 conference due to the Jewish holiday of Rosh Hashana, and the parties were unable to select an alternate date in which Magistrate Laporte, the parties and their counsel were all available.
- 4. The parties and their counsel, in lieu of the settlement conference with Magistrate Laporte on September 4, 2013 (or on the two other alternative dates suggested by her), wish to engage the services of a private mediator. The parties have scheduled a mediation with Judge Mark Eaton (ret.), of ADR Services, Inc.. on September 19, 2013.
- 5. The parties therefore seek Court approval of their use of private mediation/ADR services in lieu of a settlement conference with Magistrate Judge Laporte, and an extension of the ADR / Settlement Conference Deadline from September 15, 2013 to September 21, 2013 to enable the private mediation to take place on September 19, 2013.
- 6. No other deadlines in this matter will be impacted. The present discovery deadline is September 30, 2013.
