1. The parties are currently finalizing a settlement, and thus, they would like to direct their resources and time to settlement discussions.

2. The settlement involves over forty individual plaintiffs and a proposed class settlement of a related state action, which is why it is taking quite a bit of time to finalize.

3. The parties would like another four weeks to continue to discuss settlement, and have agreed to extend by six weeks, from April 12, 2013 to May 24, 2013, Defendants' responsive pleading to Plaintiffs' complaint.

3. The parties also request that the initial Case Management Conference, which is scheduled for May 10, 2013, also be postponed by four weeks to June 7, 2013.

THEREFORE, the parties hereby stipulate and request that this Court order the following:

1. The deadline for Defendants to file their responsive pleading to Plaintiffs' complaint is set for May 24, 2013.

2. The Case Management Conference be scheduled for June 14, 2013 at 8:30 a.m..
