**STIPULATION CONTINUING

STIPULATION

27 This stipulation is made between Plaintiff Rocket Dog Brands, LLC (“Rocket Dog”) and Defendant GMI-USA Corporation (“GMI”), by and through their respective counsel. The parties herein agree and stipulate as follows:

28 STIPULATION CONTINUING
 CASE MANAGEMENT CONFERENCE

CASE NO. C12-4643 SI

1 1. On or about January 22, 2013, this Court issued a minute order following the initial
2 Case Management Conference in this matter. The order referred this case to a magistrate
3 judge for settlement purposes.

4 2. On or about February 8, 2013 this Court issued a Notice of Settlement Conference and
5 Settlement Conference Order that scheduled a mandatory settlement conference before
6 Magistrate Judge Nandor J. Vadas.

7 3. On May 22, 2013 Rocket Dog and GMI participated in the mandatory settlement
8 conference with Magistrate Judge Vadas. Though the parties did not reach a final settlement
9 on that date, the parties agreed that further efforts towards settlement may be fruitful.
10 Accordingly, a follow-up telephonic status conference was scheduled with Magistrate Judge
11 Vadas for June 25, 2013 for the purpose of possibly setting a second settlement conference
12 date, and the parties agreed to exchange information and work on narrowing key settlement
13 issues before the June 25, 2013 conference.

14 4. The June 25, 2013 date falls after the currently scheduled June 14, 2013 case
15 management conference. The parties feel that it would be preferable and more efficient for the
16 Court and the parties to hold the case management conference after the June 25, 2013
17 settlement status conference. Accordingly, pursuant to local civil rules 6-2 and 7-12, the
18 parties respectfully make this stipulated request to change the time that would affect a deadline
19 already fixed by this Court, and specifically hereby request an continuation of the further case
20 management conference until July 19, 2013.

21 IT IS HERBY STIPULATED by and between the parties to the above-entitled action,
22 through their respective counsel, that the further case management conference be continued
23 until July 19, 2013.
