extension because it is in the process of gathering additional information pertinent to this case and U.S. Bank's outside legal counsel anticipates a meeting with U.S. Bank representatives on January 14, 2013 regarding issues that impact the parties' joint statement. The parties will be able to file a much more complete and informed joint statement once U.S. Bank has gathered additional information and met with appropriate personnel.

Plaintiff Cynthia Brooks does not object to U.S. Bank's request. Therefore, pursuant to Local Rule 6-2, and because there is good cause for the modest extension of the deadline for the parties' Rule 26(f) report, the parties respectfully request the Court's approval. SO STIPULATED:
