**ORDER DISMISSING MOTIONS
PENDING THE STAY**
Re: Dkt. Nos. 179, 189

On February 2, 2015, the Court granted Ariosa’s third motion to stay. Docket No. 229. In its order, the Court deferred ruling on Ariosa’s motions for leave to amend its invalidity contentions, and for leave to file a third amended answer and counterclaims during the pendency of the stay. Docket Nos. 179, 189. The Court now DISMISSES these motions, without prejudice to refile upon the stay being lifted.

IT IS SO ORDERED.

Dated: March 9, 2015

United States District Judge
