_____ /

On September 2, 2013, Plaintiff Pedro Linares filed his acceptance of Defendant Alliance One Receivables Management Inc.'s offer of judgment under Federal Rule of Civil Procedure 68. *See* ECF No. 50. Rule 68 requires the clerk to enter judgment. Accordingly, the parties shall file a proposed order of judgment and e-mail a Word or Wordperfect compatible version of it to the court's proposed orders inbox – lbpo@cand.uscourts.gov. The parties also are to advise the court whether they are able to agree on fees, whether they intend to file a noticed motion, and whether a facilitated settlement conference on the fees issue would be helpful. IT IS SO ORDERED.
