NORTHERN DISTRICT OF CALIFORNIABRIAN DOUGLAS LARSON,
Plaintiff,

v.

TRANS UNION , LLC,
Defendant.Case No. [12-cv-05726-WHO](#)**ORDER GRANTING IN PART AND
DENYING IN PART STIPULATION TO
EXTEND DEADLINE TO COMPLETE
DISCOVERY AND PLAINTIFF'S
DEADLINE TO FILE A MOTION FOR
CLASS CERTIFICATION**

Re: Dkt. No. 54

The parties filed a Stipulation on September 24, 2014, to continue the case management deadlines they had proposed, and the Court had ordered, at the Case Management Conference on February 18, 2014. Dkt. No. 54. They did not attempt to establish good cause: “various scheduling conflicts and vacation plans” are not a sufficient excuse for delay, particularly given the length of the continuance sought by the parties for a case that was removed to this Court on November 7, 2012. There is no showing in the Stipulation or on the docket of any work that the parties have done to date in discovery to prepare this case for the class certification motion.

There is no reason why this case should not be tried within three years of its arrival in this Court. Regrettably, I did not notice the Stipulation until today, so I will adjust the schedule somewhat because of my tardiness in addressing it. I will also set the matter for trial. The new schedule is:

Last day to amend pleadings: November 7, 2014

Completion of class certification discovery: December 5, 2014

Motion for class certification filed by: January 14, 2015

Opposition: February 4, 2015

1 Reply: February 18, 2014

2 Class certification hearing: March 4, 2015

3 Merits fact discovery closed: July 29, 2015

4 Expert disclosure: July 29, 2015

5 Rebuttal expert disclosure: August 14, 2015

6 Expert discovery closed: September 2, 2015

7 Last day for hearing on dispositive motions: September 2, 2015

8 Pretrial conference: October 26, 2015

9 Trial: November 30, 2015

10 In light of this Order I VACATE the further case management conference set for January
11 13, 2015.

12 **IT IS SO ORDERED.**
