25 4. Defendant/Guarantor shall *conditionally* pay the amount of **\$19,904.56**,  
 26 representing all of the above amounts, **less liquidated damages in the amount of \$7,298.51**,  
 27 **which may be waived, expressly conditioned upon the Trustees' approval and upon timely**  
 28 **compliance with all of the terms of this Stipulation**, as follows:

1 (a) Beginning on or before February 25, 2013, and on or before the 25th day of  
2 each month thereafter, for a period of twenty-four (24) months, through and including January 25,  
3 2015, Defendant/Guarantor shall pay to Plaintiffs the amount of **\$920.00** per month;

4 (b) Payments may be made by joint check, which shall be endorsed by  
5 Defendant/Guarantor prior to submission to Plaintiffs;

6 (c) Defendant/Guarantor shall have the right to increase the monthly payments  
7 at any time, without penalty;

8 (d) Payments shall be applied first to unpaid interest and then to unpaid  
9 principal. The unpaid principal balance shall bear interest at the rate of 10% per annum, from  
10 February 1, 2013, in accordance with Plaintiffs' Trust Agreements;

11 (e) Payments shall be made payable to the "*Operating Engineers' Trust Funds*"  
12 and delivered to Michele R. Stafford at Saltzman & Johnson Law Corporation, 44 Montgomery  
13 Street, Suite 2110, San Francisco, California 94104, or to such other address as may be specified  
14 by Plaintiffs, **to be received on or before the 25th day of each month.**

15 (f) Defendant/Guarantor shall pay all additional costs and attorneys' fees  
16 incurred by Plaintiffs in connection with collection and allocation of any amounts owed by  
17 Defendant to Plaintiffs, regardless of whether or not there is a default herein.

18 (g) Prior to January 25, 2015, the deadline for Defendant/Guarantor's last  
19 monthly payment toward the conditional balance owed under the Stipulation, Plaintiffs shall notify  
20 Defendant/Guarantor in writing of the final amount due, including any additional interest and  
21 attorneys' fees and costs, as well as any other amounts due under the terms herein. Any additional  
22 amounts due pursuant to the provisions hereunder shall be paid in full with the final conditional  
23 stipulated payment.

24 (h) Following payment of the last conditional monthly payment under the  
25 Stipulation, Defendant/Guarantor will be advised as to whether or not the conditional liquidated  
26 damages waiver has been granted by the Board of Trustees. If the waiver is granted, upon bank  
27 clearance of Defendant/Guarantor's last payment of the conditional balance, and confirmation that  
28 Defendant's account is otherwise current, Plaintiffs will file a Notice of Satisfaction of Judgment

1 with the Court. However, if the waiver is denied, monthly payments will continue until all  
2 liquidated damages due have been paid.

3 (i) Failure to comply with any of the above terms shall constitute a default of  
4 Defendant's obligations under this Stipulation and the provisions of ¶12 shall apply.

5 6. Defendant has represented to Plaintiffs' counsel that they intend to deactivate their  
6 account with Plaintiffs, as their employees will not be performing any covered work going  
7 forward. Nevertheless, beginning with contributions due, if any, for hours worked by Defendants'  
8 employees during the month of December 2012, and for every month thereafter that the  
9 Bargaining Agreement remains in effect, Defendants **shall remain current in any reports and**  
10 **contributions** that may be due to Plaintiffs under the current Collective Bargaining Agreement  
11 and under all subsequent Collective Bargaining Agreements, if any, and the Declarations of Trust  
12 as amended. Failure to comply with these terms shall also constitute a default of the obligations  
13 under this Agreement and the provisions of ¶12 shall apply.

14 7. Defendant shall make full disclosure of all jobs on which they are working by  
15 providing Plaintiffs with a monthly job report on the form attached hereto as *Exhibit A*, including,  
16 but not limited to, the name and address of job, general contractor information, certified payroll if  
17 a public works job, start date and anticipated completion date, of each job. **Defendant shall**  
18 **submit said job report each month by facsimile to Michele R. Stafford at 415-882-9287, or to**  
19 **such other fax number as may be specified by Plaintiffs, or by email to both**  
20 **mstafford@sjlawcorp.com and ethurman@sjlawcorp.com.** This requirement remains in full  
21 force and effect regardless of whether or not Defendant has ongoing work. In this event,  
22 Defendant shall submit a statement stating that there are no current jobs. To the extent that  
23 Defendant is working on a Public Works job, or any other job for which Certified Payroll Reports  
24 are required, copies of said Reports will be emailed or faxed to Michele R. Stafford, concurrently  
25 with the monthly job reports. Failure by Defendant to timely submit updated monthly job reports  
26 shall constitute a default of the obligations under this agreement. This obligation remains in full  
27 force and effect regardless of whether Defendant's account is deactivated. So long as Defendant is  
28 in business, and work is being performed, regardless of whether it is covered under the current

1 Collective Bargaining Agreement, a job report shall be submitted.

2 8. Failure by Defendant to remain current in reporting or payment of contributions  
3 shall constitute a default of the obligations under this agreement. Any such unpaid or late paid  
4 contributions shall violate the condition for waiver of liquidated damages and shall be added to  
5 and become a part of this Judgment together with 20% liquidated damages and 10% per annum  
6 interest accrued on contributions and shall be subject to the terms herein. Plaintiffs reserve all  
7 rights available under the applicable Bargaining Agreement and Declarations of Trust of the Trust  
8 Funds for collection of current and future contributions, and for any additional past contributions  
9 not included herein as may be determined by Plaintiffs, pursuant to employee timecards or  
10 paystubs, by audit, or other means, and the provisions of this agreement are in addition thereto.  
11 Defendant specifically waives the defense of the doctrine *res judicata* as to any such additional  
12 amounts determined as due.

13 9. **Audit:** Should the Trust Funds request an audit of Defendant's payroll records in  
14 order to confirm proper reporting and payment of contributions pursuant to the Bargaining  
15 Agreement, any failure by Defendant to comply with said request or with an audit in progress, if  
16 any, shall constitute a default of the obligations under this Agreement.

17 (a) If Defendant is unable to make payment in full as may be found due on any  
18 such audit, Defendant may request that Plaintiffs modify this payment plan (by monthly amount  
19 and/or payment term), to add the amounts found due in the audit, subject to the terms herein. If the  
20 Judgment is so revised, Defendant shall execute the Amendment to Judgment within ten (10) days  
21 of its submission to Defendant. Failure to execute the revised agreement shall constitute a default  
22 of the terms herein.

23 (b) Failure by Defendant to submit either payment in full or request the  
24 addition of the amounts found due on audit to this Judgment within ten (10) days of the date of  
25 Plaintiffs demand shall constitute a default of the obligations under this agreement. All amounts  
26 found due on audit shall immediately become part of this Judgment.

27 10. Any check not timely submitted, submitted by Defendant but failing to clear the  
28 bank, or unable to be negotiated for any reason for which Defendant is responsible, shall be

1 considered to be a default on the Judgment entered. If Defendant fails to submit its contribution  
2 reports, and/or certified payroll reports (if any) and/or job reports, and/or fails to comply with *any*  
3 of the terms of the Stipulation herein, this too shall constitute a default.

4 11. If a default occurs, Plaintiffs shall make a written demand, sent to  
5 Defendant/Guarantor by email to [melinakochoo@gmail.com](mailto:melinakochoo@gmail.com) and by regular mail, to cure said  
6 default within seven (7) days of the date of the notice from Plaintiffs. If Defendant/Guarantor elect  
7 to cure said default, and Plaintiffs elect to accept future payments, all such payments shall be made  
8 by cashier's check if the default is caused by a failed check.

9 12. In the event the default is not cured, all amounts remaining due hereunder, as well  
10 as any additional amounts due pursuant to the terms herein, shall be due and payable on demand  
11 by Plaintiffs as follows:

12 (a) The entire amount of \$27,203.07 plus interest, reduced by principal  
13 payments received by Plaintiffs, but increased by any unpaid contributions then due, including  
14 audit findings, if any, plus 20% liquidated damages and 10% per annum interest thereon shall be  
15 immediately due, together with any additional attorneys' fees and costs incurred;

16 (b) A Writ of Execution may be obtained against Defendant/Guarantor and all  
17 related entities without further notice, in the amount of the unpaid balance, plus any additional  
18 amounts due under the terms herein. The declaration of a duly authorized representative of the  
19 Plaintiffs setting forth any payment theretofore made by or on behalf of Defendant/Guarantor, and  
20 the balance due and owing as of the date of default, shall be sufficient to secure the issuance of a  
21 Writ of Execution;

22 (c) Defendant/Guarantor waive notice of entry of judgment and expressly  
23 waive all rights to stay of execution and appeal.

24 13. Any failure on the part of the Plaintiffs to take any action against  
25 Defendant/Guarantor as provided herein in the event of any breach of the provisions of this  
26 Stipulation shall not be deemed a waiver of any subsequent breach by the Defendant/Guarantor of  
27 any provisions herein.

28 14. In the event of the filing of a bankruptcy petition by Defendant/Guarantor, the

1 parties agree that any payments made by Defendant/Guarantor pursuant to the terms of this  
2 judgment, shall be deemed to have been made in the ordinary course of business as provided under  
3 11 U.S.C. Section 547(c)(2) and shall not be claimed by Defendant/Guarantor as a preference  
4 under 11 U.S.C. Section 547 or otherwise. Defendant/Guarantor nevertheless represent that no  
5 bankruptcy filings are anticipated.

6 15. Should any provision of this Stipulation be declared or determined by any court of  
7 competent jurisdiction to be illegal, invalid, or unenforceable, the legality, validity, and  
8 enforceability of the remaining parts, terms or provisions shall not be affected thereby and said  
9 illegal, unenforceable or invalid part, term, or provision shall be deemed not to be part of this  
10 Stipulation.

11 16. This Stipulation is limited to the agreement between the parties with respect to the  
12 delinquent contributions and related sums enumerated herein, owed by Defendant to the Plaintiffs.  
13 This Stipulation does not in any manner relate to withdrawal liability claims, if any. Defendant  
14 acknowledges that the Plaintiffs expressly reserve their right to pursue withdrawal liability claims,  
15 if any, against Defendant as provided by the Plaintiffs' Plan Documents, the Trust Agreements  
16 incorporated into the Collective Bargaining Agreement, and the law.

17 17. This Stipulation contains all of the terms agreed by the parties and no other  
18 agreements have been made. Any changes to this Stipulation shall be effective only if made in  
19 writing and signed by all parties hereto.

20 18. This Stipulation may be executed in any number of counterparts and by facsimile,  
21 each of which shall be deemed an original and all of which shall constitute the same instrument.

22 19. The parties agree that the Court ~~shall retain jurisdiction of this matter until this~~  
23 ~~Judgment is satisfied.~~
