8 DENNIS LAMAR JAMES, JR.,

No. C 13-011 SI (pr)

9 Plaintiff,

**ORDER RESETTING CASE
MANAGEMENT CONFERENCE**

10 v.

11 OAKLAND POLICE DEPT.; et al.,

12 Defendants.
13 _____/

14 In this *pro se* civil rights action, plaintiff has sued several Oakland police officers and the
15 City of Oakland for the use of excessive force during his arrest on February 19, 2012, and has
16 sued several doctors for deliberate indifference to his medical needs during his hospital visit after
17 his arrest. On July 1, 2014, the court stayed the action due to plaintiff's temporary placement
18 at Napa State Hospital, set a case management conference for December 11, 2014, and required
19 plaintiff to provide a telephone number at which he could be contacted for the case management
20 conference. Docket # 39. Plaintiff recently sent to the court a notice in which he provided the
21 requested telephone number and stated that (a) he remains at Napa State Hospital undergoing
22 treatment, (b) he has no set release date, (c) he has an upcoming court date on December 5, 2014,
23 and (d) he was found not guilty by reason of insanity of an unidentified crime. Docket # 40.

24
25 In light of the foregoing, and for the reasons stated in the order to stay proceedings, the
26 court concludes that lifting the stay or holding a case management conference would not be
27
28

1 beneficial at this point in time. The preferable course is to keep the stay in place and set a case
2 management conference in several months to reassess the situation. Accordingly,

3 (1) The case management conference set for December 11, 2014 is VACATED.
4 A case management conference will be held at **4:00 p.m. on Wednesday, April 29, 2105.**

5 (2) Plaintiff must notify the court and opposing counsel for all defendants
6 within **ten days** of his release from Napa State Hospital, regardless of whether that release is to
7 county jail, state prison or elsewhere.

8 (3) Plaintiff must file a notice no later than **January 9, 2015** in which he
9 identifies the crime(s) of which he was found not guilty by reason of insanity at the trial in July
10 2013. This information will give the court some information about how long plaintiff may be
11 at the hospital.

12 IT IS SO ORDERED.

13 Dated: November 17, 2014
