By order dated May 9, defendant's motion to dismiss plaintiff's complaint was granted. The order provided that plaintiff could file a motion to obtain leave to amend his complaint and would have until May 30 to file such a motion, appending a proposed amended complaint. The order further stated that if such motion was not filed by the deadline, this case would be closed. The deadline has come and gone and no motion has been filed. Plaintiff Terry Meier has also filed a letter stating that he "will stand on the original" complaint and requesting the Court enter judgment to allow plaintiff to appeal (Dkt. No. 44).
