Through the undersigned counsel of record for Plaintiff Jeffrey Martins, based on the Government’s notice [Docket No. 50] confirming Defendants’ compliance with the terms of the parties’ settlement agreement [Docket Nos. 40 & 42] and its representations in the parties’ March 13, 2014 Joint Case Management Conference Statement [Docket No. 51] and the March 20, 2014 Case Management Conference [Docket No. 53] that the Government has “fully complied” with the terms of the settlement, that USCIS has instructed all officers, agents, and employees involved in processing Freedom of Information Act (FOIA) requests that asylum officer interview notes are not generally covered by the deliberative process privilege and are to be produced in full unless specific material is appropriately withheld under an applicable FOIA exemption, and that USCIS is producing asylum officer interview notes when responsive to properly submitted FOIA requests, Plaintiff Jeffrey Martins respectfully requests that this Court dismiss this matter with prejudice.
