1 Plaintiff Blackhawk Network, Inc. ("Plaintiff") and defendants Giftango LLC and
2 Giftango Corporation ("Defendants") (Plaintiff and Defendants shall collectively be referred to
3 herein as the "Parties") hereby agree and stipulate as follows:

4 1. On February 26, 2013, Plaintiff filed the instant action against Defendants in the
5 United States District Court for the Northern District of California. The Complaint was
6 thereafter served on Defendants on March 4, 2013.

7 2. Defendants' response to the Complaint was originally due on March 25, 2013.

8 3. After the Complaint was filed, the Parties began negotiating an informal
9 resolution to the instant action, and in order to allow the Parties time to conclude those
10 negotiations, the Parties agreed to extend the time for Defendants to respond to the Complaint.

11 4. On April 2, 2013, the Defendants filed the *Stipulation to Extend Time to Respond*
12 *to Complaint*, which memorialized the Parties' stipulation to allow Defendants up to and
13 including April 29, 2013, to respond to the Complaint.

14 5. The Parties continued to negotiate an informal resolution to the instant action, as
15 well as broader negotiations aimed at resolving other, related litigation matters, and in order to
16 allow the Parties time to conclude those negotiations without incurring additional costs to litigate
17 this case, the Parties have agreed to further extend the time for Defendants to respond to the
18 Complaint.

19 6. The parties filed a May 16, 2013 stipulation that allowed Defendants up to and
20 including June 17, 2013 to respond to the complaint.

21 7. The parties have continued to negotiate a global resolution of related litigation
22 matters including this action and appear to be closing in on a final set of terms. However, such
23 terms may include a period for due diligence after execution before the global resolution is final.

24 8. The Case Management Conference in this action is scheduled for 2:30 p.m.,
25 Friday, June 14, 2013. In light of the Parties progress and timing, the Parties suggest and request
26 that in order to avoid additional costs or imposition on the Court's time and resources the Case
27 Management Conference should be continued to 2:30 p.m., Friday, September 6, 2013.
