[PROPOSED] ORDER DIRECTING CLERK TO REMOVE PLAINTIFF'S
CONFIDENTIAL RECORDS FROM THE DOCKET

1. On January 6, 2014, Defendant filed a Motion for Summary Judgment to Plaintiff's First Amended Complaint and attached exhibits containing Plaintiff's confidential dental/medical records.

2. Much of the information contained in these records is irrelevant to this action.

3. Plaintiff seeks to seal these confidential records (listed below). Defendant has no objection.

Finding that Plaintiff's request is narrowly tailored pursuant to Civ. L.R. 79-5(b), the Court orders the Clerk of the Court to remove the following documents in the record. Defendant shall file redacted versions of these documents once they have been removed.
