28	STIPULATED REQUEST FOR ORDER CHANGING TIME Case No. CV13-01196-HSG (NC)				

Pursuant to Local Civil Rule 6-2, it is hereby stipulated and agreed, by and among the undersigned counsel for Plaintiffs Alex Ang and Lynn Streit ("Plaintiffs") and Defendant Bimbo Bakeries USA, Inc. ("Defendant"), respectively, as follows:

WHEREAS, at a hearing before this Court on August 20, 2015, the parties discussed the Court's proposed scheduling order, and since it appeared to the attorneys present at the hearing that there were no scheduling conflicts, the Court thereafter entered the proposal as a Scheduling Order (Dkt. 147).

WHEREAS, following the hearing, Mr. Skaar, who appeared at the hearing on behalf of Defendant, determined that the April 18, 2016 trial date is unworkable for Defendant's trial counsel, who must appear at another trial that had previously been set for the same time. (Declaration of David W. Skaar ("Skaar Decl."), ¶ 2).

WHEREAS, at the hearing the Court recognized that the expert discovery schedule may need to be modified so that experts will be able to prepare their reports with the benefit of a decision on the pending motion for class certification. (*See* Hearing Transcript, 8/20/2015, at 13:3-15).

WHEREAS, the parties also agree that the schedule should be modified to accommodate expert analysis and dispositive motions based on the Court's forthcoming ruling on the class certification motion. (Skaar Decl., ¶ 4).

WHEREAS, the parties met and conferred to determine a mutually agreeable resolution of the foregoing scheduling issues, and the parties agreed that each date set forth in the Scheduling Order should be postponed for approximately two months. (Id. at ¶ 5).

NOW, THEREFORE, IT IS HEREBY STIPULATED and respectfully requested by and between the parties through their respective attorneys of record that the Court amend the Scheduling Order, Dkt. 147, to reflect the following dates:

- ◆ Close of Fact Discovery: November 18, 2015
- Mutual Exchange of Expert Disclosures: November 25, 2015
- Mutual Exchange of Rebuttal Expert Disclosures: December 18, 2015
- ◆ Close of Expert Discovery: January 15, 2016
