15 DATE COMPLAINT FILED: APRIL 1, 2013

16 Attorney Barry requests to appear by telephone for the OSC re Sanctions on March 10,
 17 2016, before Honorable Judge Beeler. Barry’s leg has worsened. On March 9, 2016, she
 18 believes the tendon may have ruptured causing Barry extreme pain to the point she could barely

 20 any walking the ankle and foot become extremely swollen, and the arch of the foot is affected..
 21 She is back to wearing the boot. She wants to advance her ortho appointment from March 31 to
 22 an earlier date but she because of her legal obligations, such as doing what Her Honor ordered to
 23 be done today, March 23, 2016, which she will do by 4:30 PM, she has not yet done so..

24 Therefore Barry requests to appear by telephone and will make arrangements through
