Per this Court's Minute Order (Doc. 43) issued on July 18, 2013, the Case Management
 Conference in this case is currently set for August 9, 2013 and the Case Management Conference
 Statement is due on August 2, 2013.

The parties mutually request that the Court continue the Case Management Conference to
November 22, 2013, and that the filing date for the Case Management Conference Statement be
continued to November 15, 2013. This request is made for the following reasons:

7 (1) The significant orders recently issued by the Court in both this case and the related case 8 of Net Connection, Hayward, LLC v. City of Hayward, N.D.Cal. No. 12-cv-1212 SC, 9 are being evaluated by the Hayward City Council. However the Hayward City Council 10 is in its annual recess period and will not reconvene until September 17th. Until it does 11 so, neither the City nor Plaintiff will be able to assess the future of this case. 12 Accordingly, they would mutually prefer to postpone the Case Management Conference 13 until they have a reasonable understanding of the City's considered response to the 14 Court's Orders. Moreover, it is not clear whether the City Council will address this 15 issue immediately at that first session or will be prepared to resolve its position on this 16 issue at that time. Thereafter, Plaintiff would need time to assess any position taken by 17 the City before determining how it wants to proceed in this litigation.

(2) Depending upon the outcome of its talks with the City, Plaintiff is not presently sure
 whether it will be necessary to amend its pleadings before proceeding with its
 prosecution of this case.

For each of these reasons, the parties believe that a continuance of the Case Management Conference until November 22, 2013, would be in the best interests of both sides and would be the most efficient and economical way to proceed. The parties have checked with this Court's clerk and confirmed that November 22, 2013, would be an available date for the continued hearing.
