Plaintiff and Counter-Defendant National Credit Union Administration Board, acting in its capacity as Liquidating Agent for Chetco Federal Credit Union, respectfully requests that the Court continue the Case Management Conference currently set for Friday, May 2, 2014 for approximately 30 days because the parties have reached an agreement to resolve the entire case, but need additional time to finalize the terms of the final settlement agreement and release.

The parties are not ready to file a stipulation of dismissal at this time because compliance with the terms of settlement will take approximately eighteen (18) months, and the parties are determining how to deal with dismissing the case in light of the extended period of time for complying with the terms of settlement.

Counsel for Defendants and Counter-Claimants has informed counsel for Plaintiff and Counter-Defendant that he does not object to the request for continuance.
