No. C13-1606 TEH

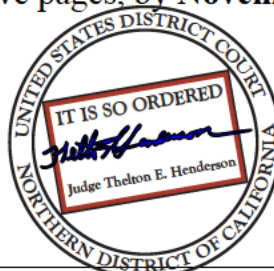

ORDER DENYING DEFENDANT'S
REQUEST FOR ORAL
ARGUMENT

United States District Court
For the Northern District of California

12
13 Plaintiff's motion for *Hoffman-LaRoche* notice was scheduled for oral argument on
14 October 28, 2013. The Court was unavailable on that date and informed the parties that
15 the matter would be taken under submission without oral argument. Defendant
16 subsequently requested argument so that it could address the substance of Plaintiff's
17 proposed class claims and purported errors in Plaintiff's reply papers. The Court finds
18 further discussion on such issues unnecessary and therefore DENIES Defendant's request.
19 However, if Defendant nevertheless seeks to present additional argument on these issues, it
20 may file a supplemental brief, not to exceed five pages, by **November 6, 2013**.

21
22 **IT IS SO ORDERED.**
