 20 Following the previous Case Management Conference the parties mediated this matter on May 8,
 21 2014, before mediator William L. Nagle. After the mediation the parties and Mr. Nagle continued to
 22 discuss settlement. The parties have now reached a settlement in principal, but need another couple of
 23 weeks to document and to execute the settlement, in part because certain principals are located in New
 24 York and Germany. Therefore the parties respectfully request this Court to continue the further Case
 25 Management Conference currently set for June 26, 2014 to July 31, 2014 at 10:30 a.m.
