United States District Court  
For the Northern District of California

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

SYNOPSIS, INC.,  
Plaintiff,  
v.  
ATOPTECH, INC.,  
Defendant.

No. C 13-2965 MMC

**ORDER DENYING DEFENDANT'S  
MOTION TO SET DEADLINE FOR  
PATENT INFRINGEMENT  
CONTENTIONS**

Before the Court is defendant's Administrative Motion to Set Deadline for Patent Infringement Contentions, filed December 10, 2013, by which defendant requests the Court order plaintiff to serve its patent infringement contentions by January 24, 2014, rather than by a date no later than fourteen days after the Initial Case Management Conference, as provided by the Patent Local Rules. See Patent L.R. 3-1. On December 16, 2013, plaintiff filed its opposition to defendant's motion.

The Court, having read and considered the parties' respective written submissions, finds it appropriate to first resolve the parties' pending motions to disqualify counsel and to dismiss, and thereafter, at the Initial Case Management Conference, to set all dates relevant to claim construction.

Accordingly, defendant's Administrative Motion is hereby DENIED.

**IT IS SO ORDERED.**

Dated: January 10, 2014

  
MAXINE M. CHESNEY  
United States District Judge
