1 On September 14, 2016, the Court granted in part Plaintiffs' Motion for Class Certification  
2 (Dkt. 279)

3 Accordingly, consistent with Rule 23(c)(2)(B) of the Federal Rules of Civil Procedure, it is  
4 appropriate for the class notice administrator hired in this case (Angeion Group) to receive, on a

8 or through a Ford Motor Company dealership before August 9, 2013, which vehicle was equipped  
9 with a MyFord Touch or MyLincoln Touch in-car communication and entertainment system" solely  
10 for the purpose of disseminating notice of the certification order to those persons and entities.

12 authorized to obtain vehicle registration information for Class Members from the Departments of  
13 Motor Vehicles in the relevant class states (California, Colorado, Massachusetts, New Jersey, North  
14 Carolina, Ohio, Virginia and Washington) solely for the purpose of disseminating class notice to  
15 those persons and entities; and (2) the Departments of Motor Vehicles in the relevant class states  
16 (California, Colorado, Massachusetts, New Jersey, North Carolina, Ohio, Virginia and Washington)  
17 is authorized to release vehicle registration data, including names, mailing addresses and other  
18 available contact information, concerning the Class Vehicles to Angeion Group only, solely for the  
19 purpose of providing class notice to Class Members.

20 The Court further orders that Angeion Group shall not provide vehicle registration data,  
21 including names, mailing addresses and other available contact information, to Class Counsel.
