22 WHEREAS, California River Watch ("CRW") is a 501(c)(3) nonprofit, public benefit
 23 corporation organized under the laws of the State of California, dedicated to protect, enhance, and
 24 help restore the surface waters and groundwater including all rivers, creeks, streams, wetlands,
 25 vernal pools and tributaries of California.

26 WHEREAS, Lunny Grading operates the Nicasio Rock Quarry located at 5400 Nicasio
 27 Valley Road in Nicasio, California ("Site"). The Site is subject to various federal and state
 28 regulatory requirements under the federal Clean Water Act ("CWA"), including compliance with

1 the State Water Resource Control Board's General Industrial Activities Storm Water Permit
2 ("General Permit").

3 WHEREAS, on February 11, 2013, CRW served Lunny Grading with a 60-Day Notice of
4 Violations and Intent to File Suit ("Notice Letter") alleging various violations of the CWA
5 relating to activities at the Site. The Notice Letter alleges that Lunny Grading, the operator of the
6 Site, and its employees, are responsible for the alleged violations.

7 WHEREAS, on July 9, 2013, CRW filed a Complaint against Lunny Grading in the
8 United States District Court for the Northern District of California, Case No. 13-CV-3174-KAW,
9 alleging violations of the CWA based on the Notice Letter.

10 WHEREAS, on October 3, 2013, CRW filed its First Amended Complaint, superseding its
11 Complaint.

12 WHEREAS, Lunny Grading denies each and all of the claims and allegations in CRW's
13 Notice Letter and First Amended Complaint.

14 WHEREAS, the Parties have expended effort and resources in investigating and
15 evaluating allegations and claims set forth in the First Amended Complaint and Notice Letter,
16 including the exchange of information regarding the Site, as well as engaging in a negotiation and
17 technical dialogue regarding settlement.

18 WHEREAS, the Parties now wish to resolve and settle all disputes, obligations, and
19 purported or actual claims or causes of action, which may exist by and between CRW and Lunny
20 Grading, including without limitation any disputes, obligations, claims and/or causes of action
21 that were or could have been asserted in or pursuant to the First Amended Complaint or Notice
22 Letter relating to the Site.

23 **NOW, THEREFORE, IT IS HEREBY STIPULATED BY THE PARTIES, AND**
24 **ORDERED AND DECREED BY THE COURT AS FOLLOWS:**

25 1. Parties Bound By This Consent Decree and Length of Consent Decree. This Consent
26 Decree, and each of its provisions, including all representations, warranties, and promises
27 contained herein, binds, and inures to the benefit of CRW and Lunny Grading, and each of their
28 respective assigns, present and future affiliates, parents, subsidiaries, predecessors and successors

1 in interest whether by merger, consolidation, or otherwise, as well as their respective
2 representatives, agents, and administrators, past, present, and future. The "Effective Date" of this
3 Consent Decree shall be the date of the final signature on this Consent Decree by a Party. This
4 Consent Decree shall terminate on the earlier of: (a) the date that all of the requirements under
5 paragraphs 1 and 3 are completed by Lunny Grading, or (b) two years after the Effective Date
6 ("Termination Date").

7 2. Actions By Lunny Grading. Lunny Grading shall perform the below specified projects at
8 the Site no later than one year from the Effective Date of this Consent Decree. Lunny Grading
9 reserves the right, in its sole discretion, to determine (i) which persons shall perform any work
10 described herein, including contractors; and (ii) the scope and technical details of, and manner to
11 implement, any such work, subject to review and approval by the Regional Water Quality Control
12 Board (or such other regulatory agency as may, from time to time, exercise jurisdiction with
13 respect to environmental matters at the Site):

14 2.1 Cover Commodity Bins: Lunny Grading shall cover the topsoil and compost
15 commodity bins on the Site at all times except when access to the contents is required.

16 2.2 Updating Drainage Controls: As elevations and gradients at the Site change over
17 time with the movement of materials, Lunny Grading shall inspect drainage controls at the
18 Site each year by no later than October 1 to confirm that drainage controls are adequate to
19 channel all storm water flows to the diversion swale and thence to the sedimentation pond.
20 Results of the inspection shall be included in Lunny Grading's Annual Report.

21 2.3 Replacing Wattles: Lunny Grading shall replace all existing wattles with wattles
22 made from biodegradable materials as the existing wattles wear out or within one year
23 from the Effective Date of this Consent Decree, whichever is sooner.

24 2.4 Install Sump Pump At Scale: Lunny Grading shall install a sump pump beneath
25 the truck weighing scale at the Site, and the collected water shall be pumped to the
26 sedimentation pond at the Site.

1 2.5 Clear Pond Outfall Path: Lunny Grading shall clear brush leading to the outfall
2 from the sedimentation pond at the Site and maintain a path so that samples can be taken
3 at the outfall to Halleck Creek.

4 2.6 Submission of Additional Reports to CRW: No later than one year from the
5 Effective Date, Lunny Grading shall provide CRW with a narrative report describing
6 BMPs that have been implemented pursuant to this Consent Decree.

7 3. Fees and Costs. Within fifteen (15) days after the Effective Date of this Consent Decree,
8 Lunny Grading shall pay to CRW the total sum of Four Thousand Nine Hundred and Ninety-Nine
9 Dollars (\$4,999.00). Payment will be made in the form of a single check made payable to
10 "California River Watch", mailed to the Law Office of Jack Silver, P.O. Box 5469, Santa Rosa,
11 CA 95402-5469.

12 4. Mutual Release. It is the intent of the Parties that the execution and delivery of this
13 Consent Decree constitutes a full and complete satisfaction of all rights, claims and demands by
14 CRW against Lunny Grading, and Lunny Grading against CRW, with respect to any and all
15 allegations and claims made in the First Amended Complaint and Notice Letter under the Clean
16 Water Act.

17 4.1 Upon this Consent Decree's Effective Date, CRW, on behalf of itself and any and
18 all of its officers, agents, representatives, successors, members, and assigns, and any other
19 person acting under its direction or control with respect to this matter, does hereby
20 absolutely, fully, and forever release, relieve, remise, and discharge Lunny Grading, and
21 its past and present employees, officers, directors, attorneys, and the predecessors,
22 successors, and assigns of any of them, from any and all causes of action, claims, damages
23 (including punitive damages), demands, debts, actions, attorneys' fees, costs of suit, and
24 liabilities of every kind or nature whatsoever, except for the obligations under this
25 Consent Decree, known or unknown, arising out of claims asserted in the First Amended
26 Complaint and Notice Letter under the Clean Water Act concerning the Site, or which
27 could have been alleged in the Notice Letter, including without limitation any and all
28

1 claims for violations of the Clean Water Act that occurred at any time up to the Effective
2 Date.

3 4.2 Upon this Consent Decree's Effective Date, Lunny Grading, on behalf of itself and
4 any and all of its officers, agents, representatives, successors, and assigns, and any other
5 person acting under its direction or control with respect to this matter, does hereby
6 absolutely, fully, and forever release, relieve, remise, and discharge CRW, and its past and
7 present employees, officers, directors, members, attorneys, and the predecessors,
8 successors, and assigns of any of them, from any and all causes of action, claims, damages
9 (including punitive damages), demands, debts, actions, attorneys' fees, costs of suit, and
10 liabilities of every kind or nature whatsoever, arising out of the claims asserted in the First
11 Amended Complaint and Notice Letter under the Clean Water Act concerning the Site.

12 4.3 The Parties acknowledge that they are familiar with Section 1542 of the California
13 Civil Code. For any other claims against each other, known or unknown, suspected or
14 unsuspected, and each party expressly waives and relinquishes any rights and benefits
15 which they have or may have under Section 1542 of the Civil Code of the State of
16 California, which provides:

17 A general release does not extend to claims which the creditor does
18 not know or suspect to exist in his or her favor at the time of
19 executing the release which if known by him or her must have
materially affected his or her settlement with the debtor.

20 The Parties acknowledge that each has specifically reviewed with its attorney the meaning
21 and effect of the release set forth herein, the language of California Civil Code Section 1542, and
22 the waiver contained herein. The Parties acknowledge that their attorneys have fully explained
23 the impact of these provisions, and the Parties knowingly accept the risks associated with these
24 provisions.

25 5. Covenant Not to Sue.

26 5.1 For a period of five (5) years from the Effective Date, CRW agrees that neither
27 CRW, nor its officers, executive staff, or members of its governing board, nor any
28 organization under CRW's control, its officers, executive staff, or members of its

1 governing board, will serve any Notice of Intent to Sue or file any lawsuit against Lunny
2 Grading seeking relief for alleged violations of the Clean Water Act (33 U.S.C. § 1365) or
3 any similar statute and/or regulation, including the Porter-Cologne Water Quality Control
4 Act (Cal. Water Code § 13000 *et seq.*), nor will CRW initiate or support any such action
5 against Lunny Grading brought by other groups or individuals by providing financial
6 assistance, personnel time, or any other affirmative actions.

7 5.2 The covenant expressed in paragraph 5.1 does not apply to the filing of any
8 complaint based on the Notice Of Intent To Sue for Violations of the Clean Water Act,
9 dated June 24,2013, sent to Kevin J. Lunny, Drakes Bay Family Farms,
10 Owners/Managing Agents, Drakes Bay Oyster Co., against any party subject to the court's
11 jurisdiction based on the entities named as recipients of said Notice.

12 6. No Admission. This Consent Decree is the direct result of a compromise of disputed
13 allegations and claims. As such, this Consent Decree shall not, for any purpose, be considered as
14 an admission of liability by Lunny Grading nor shall the payment of any sum of money in
15 consideration for the execution of this Consent Decree constitute or be construed as an admission
16 of any liability by Lunny Grading, which expressly denies any such liability or wrongdoing.

17 7. Delays in Schedule Implementation. In the event implementation by Lunny Grading of
18 the remedial measures set forth in paragraph 1 of this Consent Decree does not occur by the
19 agreed to dates, Lunny Grading agrees to notify CRW in writing as soon as practicable after the
20 anticipated delay becomes apparent, and in any case not less than twenty (20) days prior to any
21 deadline set forth in paragraph 1, and shall describe the reasons for the anticipated delay.

22 8. Force Majeure. Lunny Grading shall not be deemed in default or breach of this Consent
23 Decree by reason of any event or condition which constitutes a force majeure event. For purposes
24 of this Consent Decree, a force majeure event is defined as any event arising from causes beyond
25 the reasonable control of Lunny Grading or its contractors that delay or prevents performance.
26 This includes, without limitation, acts of God, acts of war, acts of terrorism, fire, explosion,
27 extraordinary weather events, restraint by court order or public authority, delays caused by the
28 action or inaction of federal, state, regional, or local permitting authorities and regulatory

1 agencies, or other causes beyond Lunny Grading's reasonable control. Neither increased costs
2 nor economic hardship shall constitute a force majeure. Lunny Grading agrees to notify CRW in
3 writing as soon as practicable after an anticipated delay due to any event or condition which
4 qualifies under this paragraph becomes apparent.

5 9. Breach of Consent Decree and Dispute Resolution. Any disputes between CRW and
6 Lunny Grading concerning any alleged breach of this Consent Decree shall be subject to the
7 following dispute resolution procedures.

8 9.1 Notice. The Party alleging a breach of this Consent Decree shall provide written notice
9 of the alleged breach and that Party's intent to initiate the dispute resolution procedure of this
10 paragraph 9. The notice shall include a recitation of all facts and circumstances giving rise to the
11 dispute, including the particular provisions of the Consent Decree alleged to have been breached.

12 9.2 Mediation. If the dispute is not resolved by the Parties within thirty (30) days after such
13 notice is given, such dispute shall be submitted to mediation before a mutually agreeable neutral
14 mediator. The Parties shall each bear their own costs and attorney's fees incurred in connection
15 with such mediation.

16 9.3 Arbitration. If, and only if, the dispute cannot be resolved by the Parties pursuant to the
17 above mechanisms, such dispute shall be submitted for binding arbitration before a mutually
18 agreeable neutral arbitrator. Either party may request that the presiding Judge of the Northern
19 District of California select an arbitrator if the Parties cannot reach agreement. In the event that
20 binding arbitration occurs, the Parties agree that no discovery shall be permitted. Briefing will be
21 limited to one brief of no longer than ten (10) pages for each Party, submitted no later than
22 fourteen (14) days before the scheduled arbitration hearing. The arbitration hearing is limited to a
23 maximum of one (1) day. The determination of the arbitrator shall be binding upon the Parties.
24 Within thirty (30) days after the conclusion of the arbitration hearing, the arbitrator shall issue a
25 written award and a written statement of decision describing the reasons for the award, including
26 the calculation of any damages awarded. The arbitrator shall be empowered to determine a
27 prevailing party and award payment of reasonable attorneys' fees and costs to that party. To the
28 extent there are multiple issues with a different prevailing party for one or more issues, the

1 arbitrator may take those facts into account in terms of an award for fees and costs. The non-
2 prevailing party shall also bear the cost of the arbitrator's fees. Judgment upon any determination
3 rendered by the arbitrator may be entered by any court having competent jurisdiction.

4 9.4 Waiver. By agreeing to these dispute resolution provisions, including the binding
5 arbitration provision, the Parties understand that they are waiving certain important rights and
6 protections that otherwise may have been available to each of them if a dispute between them
7 were determined by a judicial action including, without limitation, the right to a jury trial, and
8 certain rights of appeal. Other than the remedies contained within this Consent Decree including
9 dispute resolution and specific performance of the terms of this Consent Decree, there are no
10 other remedies. The Parties specifically agree that there is no basis within this Consent Decree or
11 within the contemplation of the Parties to support a claim for consequential damages due to any
12 form of breach.

13 10. Notices. All notices, consents, approvals, requests, demands and other communications
14 (collectively, "Notice") which the Parties are required or desire to serve upon or deliver to the
15 other Party shall be in writing and shall be given by nationally- recognized overnight courier, by
16 certified United States mail, return receipt requested, postage prepaid, addressed as set forth

14 18. Modification or Amendment. This Consent Decree or any of its provisions may be
15 modified or amended only by written agreement executed by all Parties to this Consent Decree.

16 19. Severability. The invalidity or unenforceability of any provision of this Consent Decree
17 shall in no way affect the validity or enforceability of any other provision. If, in any action before
18 any court or other tribunal of competent jurisdiction, any term, restriction, covenant, or promise is
19 held to be unenforceable for any reason, then such term, restriction, covenant, or promise shall be
20 deemed modified to the extent necessary to make it enforceable by such court or other tribunal
21 and, if it cannot be so modified, that this Consent Decree shall be deemed amended to delete
22 herefrom such provision or portion adjudicated to be invalid or unenforceable, and the remainder
23 of this Consent Decree shall be deemed to be in full force and effect as so modified. Any such
24 modification or amendment in any event shall apply only with respect to the operation of this
