No. C -13-03386(EDL)

ORDER

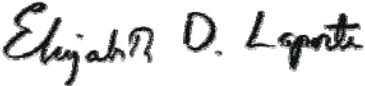

9 v.

10 JEFFREY P ALEXANDER et al,
11
12 Defendants.

13 On March 3, 2014, Plaintiffs filed an ex parte application to enjoin Defendants and their
14 Counsel from communicating with putative class members about the case and to alleviate the
15 damage Plaintiffs claim was caused by Defendants' February 20, 2014 letter to their employees
16 about the case and the declaration attached to it. Docket No. 111. The declaration states that the
17 employee waives all claims in this putative class action. Plaintiffs contend that the letter is
18 misleading and improper. Plaintiffs have requested that the Court rule on the application
19 immediately. Docket No. 115. Defendants have requested at least 14 days to respond to Plaintiffs'
20 application for relief. Docket No. 114. It is HEREBY ORDERED that Defendants shall respond to
21 Plaintiffs' application in no more than 10 pages, by March 14, 2014. Until the Court has ruled on
22 the issues raised in Plaintiffs' application, Defendants and their counsel are requested not to further
23 communicate with putative class members about the case and not seek signed declarations from any
24 more putative class members. If asked about the letter or the case by a putative class member,
25 Defendants should limit their response to providing a copy of this Order.

26 **IT IS SO ORDERED.**
