11 infringement and invalidity contentions in this case. (Docket No. 35). As requested in the letter,
12 TVIIM is granted leave to amend its infringement contentions to correct its omission regarding
13 Deep Defender. McAfee is directed to serve its invalidity contentions by May 12, 2014, but may,
14 if necessary, supplement its invalidity contentions to respond to the changes in TVIIM's
15 infringement contentions, so long as it does so no later than June 26, 2014.

16 In all other respects, the Court adopts the schedule proposed by Plaintiff in the Joint Case
17 Management Statement (Docket No. 34). Plaintiff shall submit a proposed order setting this
18 schedule by **May 12, 2014**. In addition, the parties are directed to appear for a case management
