Case No. 13-cv-05084-HSG (PR)

**ORDER DENYING PLAINTIFF'S  
REQUEST FOR MENTAL HEALTH  
EVALUATION**

Re: Dkt. No. 71

9  
10 On May 14, 2014, plaintiff, a state prisoner incarcerated at California State Prison,  
11 Sacramento, filed a *pro se* amended complaint pursuant to 42 U.S.C. § 1983, alleging  
12 constitutional violations by staff at Pelican Bay State Prison ("PBSP"), where he was formerly  
13 incarcerated. On August 28, 2014, the Court screened the amended complaint, found it stated  
14 cognizable claims, and ordered service on three defendants at PBSP. On June 19, 2015,  
15 defendants filed their motion for summary judgment. Plaintiff's opposition thereto is currently  
16 due on or before July 17, 2015.

17 Now before the Court is plaintiff's request for a court order directing his current jailors to  
18 provide him with a mental health evaluation. The Court lacks jurisdiction over individuals at  
19 plaintiff's current prison. Accordingly, the request is DENIED.

20 If plaintiff wishes to complain about the conditions of confinement at California State  
21 Prison, Sacramento, he should file a civil rights complaint in the proper district (which would be  
22 the Eastern District of California) after exhausting administrative remedies for any such claims.

23 This order terminates Docket No. 71.

24 **IT IS SO ORDERED.**

25 Dated: 7/1/2015
