ORDER RE: DISCOVERY DISPUTES

Re: Dkt. Nos. 57, 59, 67

Now pending before the Court are three disputes concerning the taking of discovery after the close of fact discovery. The Court held a hearing on the matters on August 1, 2014, and orders as follows:

Plaintiff shall take the depositions of Ryan Lester and Nesha Khargie on August 18, 2014 (unless the parties stipulate otherwise).

Defendants shall notify Plaintiff by no later than c.o.b. Monday, August 4, 2014 the dates on which Tim Iversen is available for deposition.

Defendants shall respond to Plaintiff's written discovery and document requests by no later than August 8, 2014.

The parties shall meet and confer regarding Defendants' written discovery requests in an effort to narrow the requests. Plaintiff shall respond to Defendants' narrowed written discovery requests by no later than August 29, 2014.

Defendants' request for leave to take depositions noticed for after the close of fact discovery is denied as untimely.
