UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

MARIO JAKOSALEM,  
Plaintiff,  
v.  
AIR SERV CORPORATION,  
Defendant.

Case No. [13-cv-05944-SI](#)

**ORDER ON ATTORNEY’S FEES,  
COSTS, AND ENHANCEMENT**

Re: Dkt. No. 43

Plaintiff’s Motion for Attorney Fees and Reimbursement of Costs and Enhancements came before the Court on October 2, 2015. The Court orders the following deductions to the gross settlement amount of \$2,250,000.00:

- a. A \$25,000.00 Private Attorney General Act (“PAGA”) allocation, 75% of which shall be paid to the Labor and Workforce Development Agency. The remaining 25% shall be distributed to Settlement Class Members;
- b. \$9,429.35 in actual litigation expenses for Class Counsel;
- c. \$22,000.00 in settlement administration expenses for Simpluris, Inc.;

The Court finds that the settlement amount following these deductions is \$2,193,570.65.

The Court awards Class Counsel 25% of this figure, or \$548,392.66. A cross-check against Class Counsel’s lodestar of \$496,940.41 reveals a 1.10 positive multiplier. The Court finds this award reasonable given the results achieved and the contingent nature of the representation. The Court orders that this \$548,392.66 fee be deducted from the remaining settlement amount, leaving \$1,645,177.99.

The Court also finds Plaintiff Jakosalem’s \$10,000.00 enhancement award reasonable in light of the time and effort spent in support of this litigation, and awards him this amount. This

\$10,000.00 shall be deducted from the \$1,645,177.99 remaining in the settlement fund.

The remaining fund amount of \$1,635,177.99 shall then be distributed to all Settlement Class Members who make claims using the formula detailed in section 4.3 of the Stipulated Settlement Agreement. *See* Dkt. 37, Exh. 2.

**IT IS SO ORDERED.**

Dated: October 7, 2015
