Case No. 14-cv-00327-MEJ

**STIPULATION AND ~~PROPOSED~~ ORDER
 EXTENDING DEADLINES**

1 Whereas, on June 7, 2016 the parties participated in a settlement conference before
2 Magistrate Judge Beeler. The parties did not reach an agreement, but agreed that further
3 settlement discussions may be helpful;

4 Whereas the parties discussed with Magistrate Judge Beeler a potential extension of the
5 schedule with the goal of facilitating further meaningful settlement discussions in connection with
6 summary judgment motions and ahead of trial;

7 Whereas, with Magistrate Judge Beeler's advice, the parties have agreed that extending
8 the remaining case deadlines and staging the case to allow for early dispositive motions and a
9 hearing on December 22, 2016, would best facilitate further meaningful settlement discussions
10 ahead of trial;

11 Whereas the parties have also agreed that certain expert disclosures and discovery related
12 to mitigation and damages issues can and should be scheduled after summary judgment motions.
13 Specifically, the parties have agreed that economic expert reports and medical and vocational
14 expert reports concerning plaintiff's current medical condition, disability status, and ability to
15 work should be deferred, which will allow the parties additional time to schedule any necessary
16 examinations, to resolve any disputes regarding the conditions of such discovery, and to explore
