Now pending before the Court is the parties' stipulation to continue the August 27, 2014 mediation deadline. The parties explain that Defendant has not yet taken Plaintiff's deposition because of various discovery disputes and ask that the mediation deadline be continued until the end of October, 2014. 3. Any current discovery disputes that impacted the parties' ability to meet the old mediation deadline, and may impact the new deadline, shall be filed with this Court as a joint letter brief in accordance with its Civil Standing Order. The moving party shall provide the opposing party with her/its section of the letter brief on or before August 29, 2014. The opposing party shall provide the moving party with its responsive portion of the letter brief on or before September 4, 2014. The moving shall file the letter brief after making any additional modifications in light of the opposing party's submission by the close of business on September 5,
