12 Defendants.

Case No. 14-cv-00560-SI (EDL)

**FURTHER ORDER RE PLAINTIFFS'
MOTION TO COMPEL**

Re: Dkt. No. 144

13 On November 17, 2015, the Court held a hearing on Plaintiffs' motion to compel
14 production of documents listed on Defendant BP Solar International, Inc.'s ("Defendant BP")
15 privilege log at which it provided guidance and ordered the Parties to meet and confer as to any
16 remaining issues. On December 1, 2015, the Parties filed a joint update in which Plaintiffs
17 requested that the Court review twelve documents in camera. On December 3, 2015, the Court
18 granted Plaintiffs' request in part and ordered Defendant BP to lodge seven documents for in
19 camera review. Defendant BP's redactions to these documents are largely proper and none are
20 baseless. However, the Court orders Defendant BP to produce the following to Plaintiffs: (1)
21 document no. 672 with no redactions; and (2) document no. 1609 without the redactions to the e-
22 mail authored by James Onslow but with the other redactions.

IT IS SO ORDERED.
