10 _____ /

11 On March 18, 2014, Plaintiff, a California detainee, filed this pro se civil rights action
12 under 42 U.S.C. § 1983. On the same day, the Clerk notified Plaintiff that he had not filed an
13 application to proceed in forma pauperis ("IFP") and that the case would be dismissed if he
14 did not either pay the filing fee or file a completed IFP application on or before April 15,
15 2014. The Clerk also notified Plaintiff that he had not filed a complaint, and that the case
16 would be dismissed if he did not file a complaint on or before April 15, 2014.

17 Plaintiff has not paid the filing fee or completed an IFP application. Plaintiff has also
18 failed to file a complaint. The deadline for doing so has now passed. Accordingly, this case
19 is DISMISSED without prejudice to Plaintiff filing the complaint in a new action in which he
20 either pays the filing fee or submits a complete IFP application, including the required
