			pending. The Board to submit final decision by Sept. 11, 2015.
IPR2014-00691	7,870,249	3-5, 9, 10, 14-29	IPR Instituted Sept. 2014 Oral Argument to be held on April 23, 2015. Bosch's Motion to Terminate is pending. The Board to submit final decision by Sept. 11, 2015.

In light of the Final Decisions issued by the Board, the potential for Bosch to appeal one or more of those Decisions, and Bosch's pending motions to terminate in the two IPRs currently before the Board (IPR2014-00488 and IPR2014-00607), the parties do not believe the Case Management Conference, scheduled for February 19, 2015, will be necessary at this time and Bosch will not seek to lift the stay in place in this litigation until the PTAB's conclusion of the two pending IPRs. Therefore, the parties respectfully request that the Court take the Case Management Conference off the calendar and allow the parties to file another supplemental status report with the Court within fourteen (14) days of the conclusion of the two IPRs currently pending before the Board and, in that report, the parties can set forth their position with respect to the stay.
