UNITED STATES DISTRICT COURT  
Northern District of California  
San Francisco Division

11 In Re. No. C 14-2611 LB  
12 LINELL L. DUMAS JR., **ORDER OF DISMISSED**  
13 Petitioner. [Re: ECF No. 1]

15 This action was opened on June 6, 2014, when the court received from Linell L. Dumas Jr.  
16 a letter discussing his sentence and his efforts to obtain release from prison. On that date, the court  
17 notified Mr. Dumas in writing that his action was deficient in that he had not attached a petition and  
18 had not filed an *in forma pauperis* application. The court further notified him that this action would  
19 be dismissed if he did not submit a petition and *in forma pauperis* application within 28 days. Mr.  
20 Dumas then filed a consent to proceed before a magistrate judge, but did not file a petition or an *in*  
21 *forma pauperis* application. This action is DISMISSED without prejudice because Mr. Dumas  
22 failed to file a petition or complaint showing the court has jurisdiction over this action and failed to  
23 pay the filing fee or submit a completed *in forma pauperis* application. The clerk shall close the file.
