Case No. [14-md-02532-MMC](#)

Individual Case No. 14-cv-2826 MMC

**ORDER DIRECTING DNC  
DEFENDANTS TO FILE STATUS  
REPORT RE: CROSS-CLAIM  
AGAINST UNITED STATES**

By order filed May 23, 2017, the Court granted plaintiff Cathy Carrillo's ("Carrillo") request to dismiss with prejudice her claims against Delaware North Companies, Inc., Delaware North Companies Parks & Resorts, Inc., DNC Parks & Resorts at Yosemite, Inc., DNC Parks & Resorts Reservations, Inc. (collectively, "DNC Defendants") and the United States. At that point, the remaining claims in the above-titled individual action were (1) Carrillo's claims against defendants Bradley Popp and Yosemite Construction, Inc. (collectively, "YCI Defendants"), (2) YCI Defendants' cross-claims against DNC Defendants and the United States, and (3) DNC Defendants' cross-claims against YCI Defendants and the United States. Thereafter, on June 19, 2017, YCI Defendants filed a Notice, in which they stated they had "reached a settlement with the parties to this case"

(see Notice, filed June 19, 2017, at 1:19-20), which the Court understands as a statement that all claims asserted by and against YCI Defendants have been settled. Thus, it would appear that the above-titled individual action can be closed unless DNC Defendants' cross-claim against the United States remains unresolved.

Accordingly, no later than August 11, 2017, DNC Defendants are hereby DIRECTED to file a status report, advising the Court as to whether their cross-claim against the United States has been resolved.

**IT IS SO ORDERED.**
