Case No. 14-cv-03345-WHO

and

Case No. 14-cv-03338-WHO

**SCHEDULING ORDER**

Having related the above-referenced cases, it is unclear whether the schedule adopted for Case No. 14-cv-03338 is also suitable for Case No. 14-cv-03345 through the Claim Construction hearing. If the parties believe that there would be efficiencies in holding the Claim Construction hearing on the same date in both cases, because the terms will be similar, the case schedule for Case No. 14-cv-03345-WHO shall be:

- |                                   |                                     |

The parties shall meet and confer to set an agreed upon briefing and discovery schedule which will allow compliance with the hearing dates.

If any party in Case No. 14-cv-03345-WHO thinks a different schedule is more appropriate, the parties in that case should file a Joint Case Management Statement no later than December 2, 2014, explaining why a different schedule is preferred, and appear for a Case Management Conference on December 9, 2014 at 2:00 p.m.

**IT IS SO ORDERED.**
