IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

REMBRANDT PATENT INNOVATIONS
LLC, and REMBRANDT SECURE
COMPUTING, LP,

Plaintiffs,

v.

APPLE INC.,

Defendant.

No. C 14-05094 WHA (Lead)

No. C 14-05093 WHA (Consolidated)

**ORDER GRANTING SEALING
MOTION (DKT. NO. 117)**

Plaintiffs filed an administrative motion for leave to file under seal Exhibit 9 and portions of Exhibits 12 and 13 submitted in support of their motion to amend their infringement contentions because those documents were designated confidential under the protective order by Apple (Dkt. No. 117). Apple has filed a supporting declaration noting that the documents sought to be sealed contain information about Apple’s source code and file structures, which it represents are trade secrets and highly confidential business information (Dkt. No. 119). Good cause shown, plaintiffs’ motion for leave to file under seal is **GRANTED**.

IT IS SO ORDERED.

Dated: November 4, 2015.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
