United States District Court
Northern District of California

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

JAMES LATHROP, et al.,
Plaintiffs,
v.
UBER TECHNOLOGIES, INC.,
Defendant.

Case No. 14-cv-05678-JST (KAW)

**ORDER DENYING WITHOUT
PREJUDICE ADMINISTRATIVE
MOTION TO FILE DOCUMENTS
UNDER SEAL**

Re: Dkt. No. 203

The parties to the above-captioned case have filed a motion to file documents under seal. They seek to file certain portions of a joint letter under seal along with certain excerpts from accompanying exhibits. The motion is DENIED WITHOUT PREJUDICE because it is not "narrowly tailored to seek sealing only of sealable material." See Civil L.R. 79-5(b). The parties may re-file an administrative motion to seal that fully complies with Civil Local Rule 79-5.

IT IS SO ORDERED.

Dated: 08/01/16
