United States District Court  
Northern District of California

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

LOOP AI LABS INC,  
Plaintiff,  
v.  
ANNA GATTI, et al.,  
Defendants.

Case No. [15-cv-00798-HSG](#) (DMR)  
**ORDER ON 2/22/16 DISCOVERY  
LETTER RE PLAINTIFF'S  
INTERROGATORY RESPONSE**  
Re: Dkt. No. 428

On February 22, 2016, Defendant Almax USA, Inc. ("Almax") filed a discovery letter seeking to compel a response by Plaintiff Loop AI Labs Inc. ("Loop") to Interrogatory No. 8. [Docket No. 428.] The letter states that Loop refused to participate in a joint discovery letter. The court's process requires that parties file discovery letters no more than five business days after the mandatory meet and confer session, unless otherwise ordered by the court. [Docket No. 401.] According to Almax, the parties met and conferred on February 12 and 19, 2016. Therefore, Loop was required to file its responsive letter by February 26, 2016. Loop has not responded. Almax's motion is therefore granted as unopposed. Loop shall serve an amended response to Interrogatory No. 8 by March 9, 2016.

**IT IS SO ORDERED.**

Dated: March 2, 2016
